

STUDENT DRESS CODE
French Toast Uniforms

The goal of NBCS's dress code is to set standards which provide a neat, modest appearance, and provide a testimony in the community for our school and student body. French Toast uniforms are required for all students, Pre-K to 6th grade. Uniforms have been chosen to minimize fads and/or competition and focus attention on learning and character development. Be sure to purchase only the approved styles and colors listed. In case of any questions, the Administration reserves final judgment. Some uniform wear is available at Sears, Rainbow, Target, or Burlington. A small rebate is sent to NBCS if orders are placed by phone or on-line using our School Source Code, QS47ERT. Catalogs can be obtained from the office. A resale program is available throughout the school year.

GENERAL GUIDELINES FOR ALL:

Belts are required with all clothing having belt loops. Shirts are to be tucked into pants, shorts, skirts, etc.

Jackets, sweatshirts, or coats are not to be worn in the classroom. Students may leave a sweater in their room. NBCS sweatshirts/hoodies may be worn over an in-code top. Students are to maintain a modest and neat appearance on "Dress Down Days" avoiding inappropriate T-shirts, pants with holes, spandex, or writing on the seat of the pants. Shorts should be finger-tip length.

Students need coats, boots, hats, gloves/mittens, snow pants, or sweat pants to wear outside in cold weather. **Please label all clothing.**

Parents should check their children before they leave home in the morning to insure that they are dressed according to the uniform dress code. It is also helpful during the school year to check dress length. They grow quite a lot throughout the year.

FAILURE TO COMPLY - The teacher will send home a copy of the dress code with the problem area highlighted for the parent's benefit. The second violation will result in a formal letter of warning sent home to the parents to be signed and returned to the school office. In case of further noncompliance, the student will be kept in the office and the parents will be called to bring a suitable change of clothing.

ENFORCEMENT OF THE DRESS CODE - Periodic inspections of dress and appearance will be held throughout the school year. Students will be sent to the office for major violations of the dress code as necessary.
